AI negotiation solutions for sales contract objectives

Trained on over 1.5 Million autonomous negotiations, Nibble can:

USE CASE

Agree new contracts

Reduce abandonment by letting prospects agree and sign contracts instantly, any time

USE CASE

Unblock contracts

Use self-serve negotiation to close contracts that are stuck in the sales funnel

USE CASE

Renew contracts

Use self-serve negotiation to make contract renewals for customers faster and easier than ever before

Quick, reliable, valuable – for both parties

Your sales team wins

Close more deals faster by automating contract negotiation, and let your sales team prioritize new opportunities

Your customer wins

Let customers negotiate on their terms 24/7 and discuss what they value the most without needing to wait on the phone or fill out lengthy forms

Start extracting value efficiently

Request a call with a sales representative to discover the power of AI negotiation
